It was so
blueiful...

Leon

Why did you change?

No... the one who changed... wasn't Leon!

When did it
become like
this?

...when did
it start?

ACT 44 DeGenerabon

"Back her"

What have
I done...

Ret...

I was only in love
with Leon...

"Back"

Too many
replicas

There's too
much

The data is
discovered.

Leon was an explorer...

but one day,
he suddenly
retired.

and made
Sella!

Are you
blind?

He is Bolt no
matter how you
look at it!

Aha!

That means Bolt
is not Leon,

Bolt didn't
retire!

To "take care"
of Stella, who
had gone mad...

Bolt was
there on
Leon's
bequest...

That was why
Bolt was mistaken
for Leon...

Bolt and Leon
...
really aren't
the same person

...then,

Right!

Of course,

the first I saw Stella
was also there at that
research facility.

I thank you,
and raise you
like my own
daughter.

and how Mom's
photographs were
all burnt, they're
all.

Then...
the distance
with mom...

Linal

All...
Everything...
was a lie?

Do I need
to apologize?

Ah...
I haven't
even married.

Do you understand?!

That my life was a lie... that I'm really someone else...

Do you know what my feelings are right now?

No matter what anyone says!

I don't!

I only know that you're my daughter!

who I am anymore...

Don't say anymore...

I don't know...

Hungry again!

'crush'
'crush'

But it's a leisure
that will have to wait
until after the job!

'chew'
'chew'

There isn't much
anything tasty
in a dump like this!
Damn, I really want to
eat you up...

The kind of idea
only "that man"
would have...

So that's
it...

this is what
happened...

'gulp'

EH?

This can become
amazing news,
uh?

A pity

Once again,
you searched
for your own
destruction.

Here!

Stay
where
you're!

Freeze!

...if you don't want
her to die

I give thanks to
you for giving me
such a wonderful
daughter!

Thanks for
raising her
for me

I suppose I
should thank
you!

No
I should be
the one to
thank you...

Don't delude
yourself
anymore...

Even you :

Why do even you
think that Leon is
called Bolt?

That I would
do my best
to bring up
Deh.

I once
swore to Bolt...

Leon is
already
gone from
the world
!!

...he
died
!!

12 years
ago...

It launched!
Can you still
control the
monster?

What
the hell
is

NICE

It can't be controlled
from here!

What?!

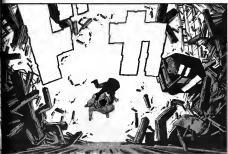

I know, but
I can't let you
do...

"To bring Doh
back to you" is
a job I haven't
finished yet...

Doh...
Go save
Doh!

Let me go!
I'm fine!

It is still fresh
in my mind...

The two men
in front of
me...

Are they
really...

not the same
person...?

How...

Did Leon
really...
die?

Bolt
Bolt Crank

Then who...
are you?

I...

I'm not myself...

Please...
Bolt...

help me

Nothing
else matters

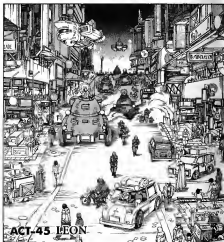

I was created
to love Leon...

All I love is
Leon...

Sergeant

What happened?

Taking?

What happened?

Gert

And we still cannot discover the location of the woman who called herself Stef!

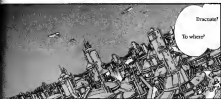

Is that confirmed?

The missiles are still on target... Contact headquarters. We still cannot control the missiles' trajectories.

...HQ still hasn't issued the Evacuation order!

Evacuate!

To where?

My dad said
that...

Lucas already
died a long
time ago!

You will
become
me...

Harry,
wake up

No!!
Stop
this!!

You don't have
a father

You became defective !!

You replicated too fast...

I love only Leon...

But...

No!

I'm not defective!

He's Leon...

Leon Field !!

That man...

Later!

15 years ago, you started going mad...

so "That Man" hired Bolt...

to "take care" of you... to kill you!!

WHO ?

Why...

It was so close,
just a bit more
and...

I...
What..?

Um...

Stella!

just a bit more...
and I could
finally be human !!

After "you" becomes
human...
What Can You Do!

It's been a long
time, company
president.

You forgot?
It has been
12 years...
I worked at your
company.

But...
If I'd have known
your real objective,
I would never have
helped you...

Was aimed
to 'improve' the
machines in the
world...
and started
manufacturing androids.

You stole
my Leon
away from
me!!

I don't need
you to lecture
me!!

12 years
ago...

Boht...

Boht
Crunk.

That was not
Leon...
He's...

Even you...

Embuckle?

Embuckle?

Don't.

Stella, stop now!

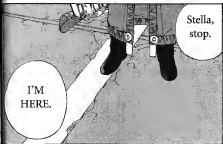

Just a bit more
—
is that?

You... I
won't forgive
you!

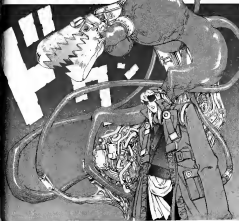

I'll destroy
all of you
completely
!!

Stella,
stop.

I'M
HERE.

LEON

Not a machine
!!

DON'T
LIE TO
ME!!

You are
NOT Com!

Let
everything
end!

END

I've
forgotten.

Too long—
How long have
you lived?

Well,
then...

Why
did Seika go
crazy?

Not...

Why didn't you
"take care" of
Seika?

Already
taken care
of.

That... that is
the original
Serlia?

The Serlia
before the
replications?

Just What

There's no
need for
that...

I've already
become what
you hoped
for

Leon...
I have a great
idea

If everyone
became
machines...

Then "we" can stay
like this forever...

I refuse.

Go "take care"
of that Stella.

Well,

there's 7 trillion
in the
Swissall bank.

If this goes on,
this place will
become a desert.

You know

It was originally
just a desert.

Of course.

You want
Stella as
well?

Southern
train...

The World's
Greatest Explorer,
has a duty to
finish his job

Wa ha ha
haha!

Annihilate
Destroy!

Obliterates
everything!

Everyone
Run
RUN

10 min. and
10 sec. more
and they'll
all explode...

Wa ha ha
haha ha
!!

Why are you
still following
me?

Your job is already
done.

That Crook

To think that
he was hiding
inside of me!

I was Played!

huh... that
would be very
difficult to do

No
it hasn't!

I've decided
to eat you
at the end!

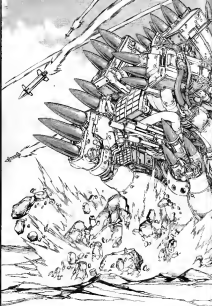

I won't let
you have
a chance
to eat me
again!

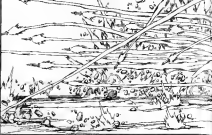

Hehehe!

Let you have a
taste of how it
feels like to be
eaten!

Then...

I'll say good
bye!

Do you know?

Hay Bot!

It seems that...

I was born from his right hand.

And lived in his until your body...

Know how he created me and Shelia?

It's his right hand!!

Lord!!

That man.

Oh...

Or maybe
you're his
double...

Maybe there're
many other
duplicates...

That you should
understand...

He is your double...

Do you
remember
your
mother?

Where were
you born?

Who's your
father?

I'm Bolt.

Bolt Crank

hehehehehe
You can't answer,
can you?

Who are you?
The name was originally
Leon, wasn't it?

Real?

Really?

Hey!
There's no
time!

Crank,
why...

Why did it
become like
this...

I don't
understand!

Who are...
you?

I'm
Bolt.

Bolt
Crank.

Who are...
you?

Hey!

You can finish her
off now, can't
you?

Thank You...

Bolt...

OMG.....

You've come

Bolt...!?

You can't
possibly
...!!

Want To
Die!?

Wah haha
haah ha ha
hahhhh!!

Haha...

Bolt

!!

I can't
remember
anything...

So gentle...

Where is this?
...I can't think
of anything...

No...

It's because I have
nothing left
to remember.

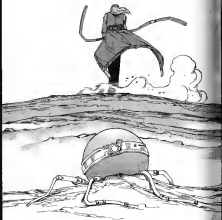

I won't let you
have the chance
to cut me again

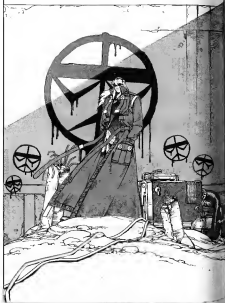

CHEW

ACT-47 PAINTERS

I heard that
Bolt Crank's
dead.

Who?
Who is killing
Bolt Crank?

Who
knows?

Yes...

He was involved
in some kind of
explosion, right?

But...

Hehe...

The Middle
Crackin' Explosion...

If even he's dead,
then everything is
coming to an end.

Yellow with the color of film

Because...

We are explorers
Dad!

Kril wants
to see...

what kind of
man "The
World's Greatest
Explorer" is...

Don't call
me Kril.

Right.

That's why Kril
is just waiting.

But not Bolt
Crink dead!

That again.

Dad!

Starting
today.

I'll succeed
the name of
"Bolt Crink!"

Then you're
killing the
Swissell...
presidential!

And then, become
the World's Greatest
Explorer!!

I'm inheriting
Bolt-Crank's
legacy!!

Bolt-Crank
is already dead.

No
matter,

President,
this kind of flier is
posted on Bulletin
Boards all over
the city...

This I
know.

They're a
minority...
All of them
just kids

The problem is
that may be rebels
among the slaves

I'll notify
the mayor

I know

But the
damage...

Tought They
have a Meeting

Report on
this month's
activities

Alingbat!

All the
team leaders,
come out!

Hang in
there!

My group
destroyed
3 squad
cars!

We BURNED
the mayor's
car!

We interrupted
all the
communications
of the 3rd
division!

We threw
molotov cocktails
into the 4th
precinct!

Man...
You are!

We graffiti-ed the
walls of the Tobacco
Shop on 3rd Street!

Good!
Good for you!

Haha,
interesting
kid!

Everyone
freezes !!

Spread
!!

How dare you rebel!

You slave...

RUN!

Chief...!

We are...
Not slaves!!

Your
reward!

I'm so
thankful

He's Bolt

I hired him
to help me find
my Doty

No need
for that!

I'd be very grateful
if you'd just give
me a bed to rest
for a while.

There's a bed for
you at my
secret base

What!

I'm
sorry—

My home is
really cramped
though

Bo... Bo...
Bob Crank?

He's not a
ghost, but he
isn't...

Bob Crank
again!

Is that...
a ghost?

I won't let
others use
Bob's name
to mislead
people!

and become the
World's Greatest
Adventurer

I'll succeed
Bob Crank's
legend!!

That
Again

I AM...

Bob Crank!

Hi!

Hey,
you're an
explorer, right?

Are you
swindling
people?

You can
join us

You don't
have any
place to go?

I'm
grateful

I'm so
tired

Then you
can use this
bed freely

Good, it's
decided!
Come!!

Yeah
ha--

!!

You are
here!

This is the
rank division
map!

I can give
you more!

You don't have
a name, right?

Now you're
called Kril

!!

The selfish
are punished!

and That is our
rule!

Share your
wealth and
happiness!

You're below
me!

Alright!

Ashley!
Let's get to work!

Whoa...

"You
are"

Bravo,
Keil!

The first time
we drew that
high.

WHAAA!
Be careful
with that!

That is a specialty
item, you can never
get it off of your
chest!

Shield...

and worked
secretly...

to abolish the
system here...

Robot

That was 30
years ago!
He's dead
by now!

The legendary man

He was born a slave,
but he escaped from
here...

Listen,
Keil

This is our
insignia

The
"Shield"

The Swedish
Banking, Inc.
helped supported us.

The terms were
good too.

We are born as
slaves...

When our ancestors
immigrated to this country

Giving us very
little wage... and
made us work
like slaves!

But it was a
lie.

Swedish illegally
indentured us.

They didn't
even know that
it's because
of us....

The police
doesn't care
about us...

That they can
live so happily
and carefree...

Because we were
once illegal
immigrants...

Intentionally
make everyone
happy as debt...

so that you can't
leave.

You'd be caught
if you tried
to run away.

and they still
treat us like
slaves.

The adults are
all too cowardly
to resist.

But We can't
stand that
any longer.

Because it's already
been 300 years since
we immigrated
here.

I have to become
the world's greatest
narcissist!

Leave here!

This will End at
our generation!

This point will
never come
off of me!

Of course!
Look!

The "Seal of Kai"!

You're
terrible

Really?!

Get rich!

And make Kai
my wife!

Follow
me!

Hamuh
...!!

Where's
the
scooter?!

Let's
GO!

Hey!
Kril!

"The hope of
this country"
is it...!

Shield .

ACT
II

Haha!

Underestimating
us.!

Kids
get
back!
You'd
get
hurt!

Back the Sweetroll
headquarters...
of course!

Kid!
No, Bolt!

What are
we going
to do?

Yeah
...!!

We're going
there to
fight!

Explorers
never kill.

You...
you... want
to kill the
president.!

What?!

What?
is That?!

It's the
truth.

What?
Don't tell
tell tales!

He ate the scooter
and added a
motor to it...

It's
great!

Then it
came out
of his
right hand!

Leon?
...anna?

Leon

No...
um...
haven't seen
you for a few
years...

Long-
long time no see!

Sa... er!

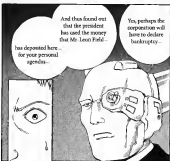

the total of
7 Trillion

I'm here to
withdraw.

um...
What can I do
for you today?

I won't let
you do this!!

Wait...
wait!!

!!

The 7 trillion
is the reward
he gave me...

Ah...

I'm not
Leon

...
yes!

You...
you...

ズ
ン
と

How can you
be the same as
12 years ago,
not one bit of
change?!

You're not
Leon!

Can it be
that you are
Bolt Crank!

No...
It's
Krill.

The president
has lost his
position of
power.

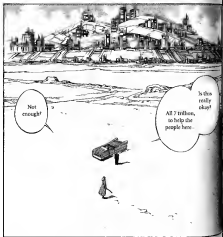

...just
what...

This is all
your work.

And all our
debts are all
gone now,
we're free.

This is
a
RULE.

ACT-48 DOG&CAT

Have you
seen the
light?

There's been another tragedy! NewTech Co.'s androids have once again malfunctioned, killing one...

And the android involved seems to be disobeying by accident.

This is the 9th case.

The representative of NewTech Enterprise announced that this is not their

On this matter

...

We are bearing
framed by
NewTech Enterprise

Mr Douglas,
do you accept?

We can't make
sophisticated
androids in
this village!

That is
a false
accusation

They're making
defectives and
then...
they're saying
that we made
them!

I accept

Please stop their
mad behavior

The reward is
1 Million...

How about it?

I heard
that he's
GOOD

Hey!
Can he really
do it?

Well, he
sure
doesn't
look like
it.

No need
for the
money.

...again.

That
guy!

As my
reward.

Let me borrow
that girl for
one night...

Yes.

She's
lovely.

Will she
do?

Catherine

Come
here...

Both-
am

Don't
bother

I am Here
to Work

Sorry...

The president
told me to...

...otherwise I'd
get scolded

Surprised?

Oh

Is it because
I'm a robot?

I'm a robot
manufactured
by NewTech.

But,
I know

Everyone...
thinks that
I'm human

Even the company
president think
so...

The president
wants to frame
NeuralTech.

Holt-sun,
please!

Don't accept what
the president
asked you to do!

Put me inside this
bed, and it will
automatically repair
me.

Even if
I'm broken

Let me
help you

I'm
sorry

I can't do
what you ask

Yes, it is —
Else —

You can't use
your powers to
regenerate
me.

That bed
must be
very hard

This is the
key to this
room —

For
what?

To get
info

What're
you doing
here?

But I heard
that you died

He's sent by
NewTech?

To destroy
this village

You people
hated me

So don't interfere
with my work.

Stop

Then

Did you get
your information

Aye.

Hold

Drink.
It's on me

But...
if it's me,
I'd refuse this
job.

Huh?
Heavy
handed.

100
billion.

How much
money you
will you
get?

That is
your business.

Increased
a lot of
unfortunate
robots.

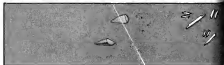

To crush their
fat pockets,
they made
and sold
defects.

I'll destroy
New York.

These
bastards

If your background investigation is finished, then you can start working!

It does seem so.

It looks like those NewTech fellows

came here to teach for their own debts

This happened 10 years ago...

It was Clothesline
at the garbage heaps
of New York

But Catherine hadn't changed at all in those 10 years.

Though we were both children then, we swore that we'd always be together in the future.

At first, I even
thought that she
was gay.

That's
why...

I'll never forgive
them!

A real
pity.

It's because they don't
know that both
robots and humans
can have the same feelings.

Have the same "life" as
humans do.

Why do
people
create
robots
whenever
it suits
them...
and throw
the robots
out when
they aren't useful
anymore?

The more
understandable
part is that
they intentionally
create substandard
robots...

INTENTIONALLY
INCREASING
THE ROBOTS'
SUFFERING

In the same way,
humans are
becoming more
and more robotic.

Not only are
robots becoming
more and more
human...

Did you
notice?
Bolt...

It isn't
clear
anymore

Who is machine?
Who is human?

Which is real?
Which is false?

After I finish
my job

I will
leave...

You should leave
this place
while you still
have your sanity

Then

...
oooh

there's no
other way.

You wanted my
precious robots

Golden
Ministry

All the others
are labor robots.

I'm the only
human here.

Mayor...
What is that?

This is not about
money...

I know...

Let's be
clear first

I won't share
the money
with you.

The same time
that humans
created robots...

They also created
misfortune...

I'm am
foolish...

choosing a robot
to be the woman
I love...

Robots are the
same as Humans...
Both are buried under
the Earth.

Incredible
man...
No wonder you're called
"The World's Greatest
Explorer"

That was last time
I talked to her...
I should've said
Good Bye...

Catherine
said that.
I have to tell her
if she ever starts
going mad

No...
I know your
power...

Catherine,
still hadn't...

But...
Leave this
alone for the
while

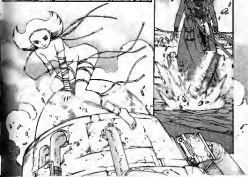

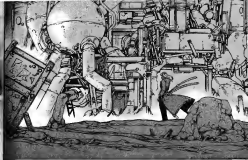

You Will
understand.
